Newberg Rifle and Pistol Club**Firing Range Location**

From Newberg OR: drive Northeast on route 99W toward Sherwood. About 3 miles out of Newberg, just prior to reaching the top of Rex Hill, turn left onto Quarry Road (North). Cross the railroad tracks and continue past a rock quarry on the left, and on up the hill.

Stay on Quarry Road for about a mile and a half until you approach the stop sign at the "T" intersection with Bell Road. The Gibbs Community Center/Newberg Rifle & Pistol Club Range is on your left. It appears as a white frame school house atop a larger cement foundation which is the indoor range.

Turn left into the range parking area about 30 feet before the stop sign.
